

Support TGS

We are pleased to announce our new non-profit partner – ABQStages. This new community theatre organization will pick up where the Growing Stage left off with high quality mainstage productions. Please continue to look here for more information and updates about the ABQStages website and season announcements. Don't forget – your contributions to ABQStages are tax deductible. Donations can be mailed to us c/o the Growing Stage.

A great way to support The Growing Stage is to advertise in the our summer 2008 production program. Your information will be in the hands of thousands! Call 288-1205 for all the details.

The Growing Stage is always grateful for financial support. Our scholarship program relies on the generosity of individuals and t-shirt sales to sustain it. Please help us make more full and partial scholarships available to our deserving students. Checks made out to The Growing Stage can be mailed to:

13170 Central Avenue SE, Suite B #104
Albuquerque, NM 87123

Thank you for supporting children's theatre in Albuquerque!

HUGE THANKS to our favorite Frog, David McMullin. His cabaret show, My Dogs & Other Animals, raised over \$1,500 for the Growing Stage! The funds will be used by the F.R.O.G.S. in their community outreach projects. David is about to move to Washington D.C. We will miss his smiling face, beautiful voice, amazing talent and his generous nature.
