

## Scholarships

The Growing Stage also has a limited number of partial scholarships available for our summer sessions!

The Growing Stage's scholarship program utilizes volunteer hours in exchange for funding. Your volunteer hours will greatly support the program and are helpful in letting us appreciate your commitment to your child's classes. A **MAXIMUM** of five volunteer hours will be requested per session, per family.

You may download the scholarship application in Word format and mail it to The Growing Stage 13170 Central Avenue SE, Suite B #104, Albuquerque, NM 87123 or use our online form [here](#) .
